

Application form

Special Consideration for Electrical Licensing Assessments

To apply for Special Consideration for an Electrical Licensing Assessment, complete and return this form to Energy Safe Victoria (ESV). Only applicants eligible to sit an assessment may apply.

Special consideration applications must be made in line with the [Special Consideration for Electrical Licence Assessments policy](#).

Application Process

1. Complete the application form below.
2. Email the completed form, together with relevant supporting evidence to assessmentaudit@energysafe.vic.gov.au
3. ESV will acknowledge receipt of the application.
4. ESV may request further information from the applicant if required.
5. ESV shall process the application and provide a decision to the applicant within ten (10) business days from receipt of the fully completed application and required supporting evidence. Only applications with the required supporting evidence can be processed.
6. Applicants will be advised via email or in writing of the outcome of their application.

Continued on next page.

Fill out one of the sections below, relevant to the category you are applying for.

Extenuating Circumstances

What are the extenuating circumstances?	
How do the extenuating circumstances impact your capacity to complete the relevant licensing assessment?	
Before applying for special consideration, complete the tasks on the right and provide evidence of each point.	<input type="checkbox"/> Attempted the assessment at least once <input type="checkbox"/> Achieved a mark of at least 50% or more <input type="checkbox"/> Obtained a letter from your Registered Training Organisation (RTO) or tutor supporting the application <input type="checkbox"/> Completed the applicable review process with the relevant assessment body based on your most recent attempt; and <input type="checkbox"/> Attended a course of training or tutorial for the relevant assessment.

English as an additional language – Offshore Technical Skills Record (OTSR) Pathway

Applicants with English as an additional language who have a contract of training under an Australian apprenticeship in an electrical trade are required to apply for Special Consideration under the extenuating circumstances pathway listed above.

Applicants with English as an additional language who are eligible to sit the licensing assessment via the overseas trade recognition pathway may apply for Special Consideration on the basis of having English as an additional language.

Before applying for special consideration on the basis of English as an additional language, complete the tasks on the right and provide evidence of each point.	<input type="checkbox"/> Completed the 'Minimum Australian Context Gap course' and <input type="checkbox"/> Obtained a letter from your Registered Training Organisation (RTO) or tutor supporting your application, and verifying your language difficulties.
